

SACRAMENTO COUNTY PLANNING AND COMMUNITY DEVELOPMENT DEPARTMENT

ERRATA—1993 Sacramento County General Plan

To Users of the 1993 Sacramento County General Plans:

The following list contains errors and mistakes which staff identified as of the end of February, 199~~8~~⁴. Please correct your plan accordingly.

LAND USE ELEMENT

Page 49 - Policy LU-4: change "LU-15", to "LU-17".

Page 46 - Add Rancho Murieta as Buildout Area (refer to attached Figure 111-4)

Page 54 - Delete secondary area outside of Urban Service Boundary (refer to attached Figure 111-6).

Page 99 - Policy LU-82: change "..criteria in policies LU-70 through LU-75" to "...criteria in policies LU-75 through LU-81".

Land Use Diagram - Modify the Land Use Diagram to reflect change as indicated on attachment A (delete the Urban Development Area and substitute with Low Density Residential).

CIRCULATION ELEMENT

Page 66 - Policy CI-5: misspelled word "priority".

Page 66 - Discussion for Policy CI-6 : misspelled word "decisions".

Page 70 - Discussion for Policy CI-12: Second sentence, misspelled word: "Management".

Page 74 - Policy CI-23: first sentence, second line, change "CI-20" to "CI-22".

CONSERVATION ELEMENT

Page 30 - Policy CO-39: second sentence, misspelled word "review".

Page 36 - Implementation Measure A.: delete the word "ongoing" after the period following the word "conditions".

Page 37 - Policy CO-48, add "(Figure 2, Page 38)" after "Sector I-3".

Page 42 - Implementation Measure A.: delete "FY 1990-91" after the period following the word "Sacramento".

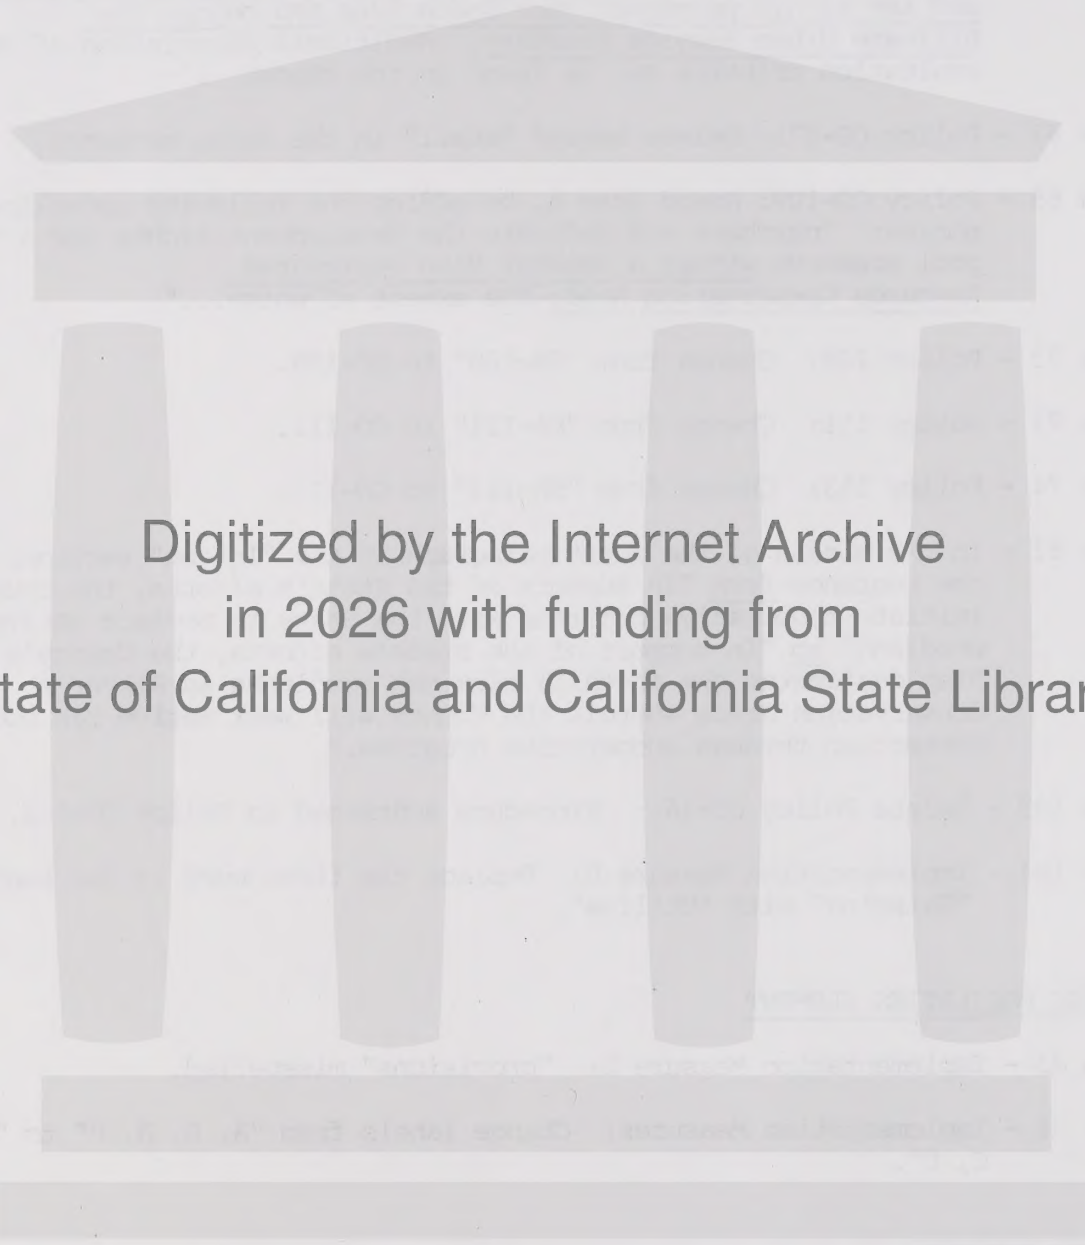

- Page 61 - Amend the second paragraph by inserting the underlined sentence:
"The policies below give guidance for prioritizing sites based on evaluation criteria and identifying pressures detrimental to the resource. In addition, the General Plan Land Use Diagram recognizes three major concentrations of vernal pools in the County. These concentrations are designated Resource Conservation Areas and are within permanent Open Space Area and beyond the Ultimate Urban Service Boundary. Additional description of preserve evaluation criteria may be found in the report..."
- Page 63 - Policy CO-87: Delete second "shall" in the first sentence.
- Page 65 - Policy CO-109. Amend Item a. by adding the following underlined phrase: "purchase and dedicate the development rights for a vernal pool preserve within a General Plan designated Resource Conservation Area, the extent of which..."
- Page 73 - Policy 108: Change from "SA-108" to CO-108.
- Page 73 - Policy 111: Change from "SA-111" to CO-111.
- Page 74 - Policy 113: Change from "SA-113" to CO-113.
- Page 82 - In the middle of the first paragraph in the "Intent" section, change the sentence from "In support of the State's efforts, the County will initiate cooperative programs with the State to protect native oak woodland" to "In support of the State's efforts, the County's General Plan designates the foothill blue oak woodlands as Resource Conservation Areas wherein the County will seek native oak woodland protection through cooperative programs."
- Page 103 - Delete Policy CO-161: Procedure addressed in Policy CO-162.
- Page 104 - Implementation Measure D: Replace the first word in the sentence, "Existing" with "Utilize".

PUBLIC FACILITIES ELEMENT

- Page 23 - Implementation Measure B: "provisions" misspelled.
- Page 36 - Implementation Measures: Change labels from "A, B, A, B" to "A, B, C, D".

SAFETY ELEMENT

- Page 5 - Implementation Measures: Change items "C, D and E" to "B, C and D".

OPEN SPACE ELEMENT

Page 5 - Delete item No. 2, and renumber items 3 through 10 with 2 through 8.

Page 6 - Paragraph 2, last sentence: delete the phrase "both key acquisition areas and".

Open Space Diagram - the following errors have been corrected on some versions of this map:

- North urban streams labeled
- South area streams and rivers labeled
- Public property labeled (ORV Park, landfill, etc.)
- Gibson Ranch/Cherry Island boundary revised (Attachment D)
- Airport buffer lands (Attachment E)
- Floodplain between Cosumnes and 99 (Attachment F)
- Floodplain west of Isleton (Attachment G)
- Floodplain removed south of Rancho Seco (Attachment H)

AIR QUALITY ELEMENT

Page 3 - Third paragraph, fifth sentence, delete: ",expected to be complete by 1992,".

AGRICULTURAL ELEMENT

Page 8 - Implementation Measure F: change Policy "5" to "4".

HUMAN SERVICES ELEMENT:

This is a new element that was subsequently adopted on March 2, 1994. If you do not have a copy in your plan, and would like to have one, please call Keri Blaskoski at 440-9794.

THE FIRST PART

Part I - The first part of the work is devoted to the study of the general principles of the theory of the function of a complex variable. It is divided into two chapters. Chapter I contains the general theory of the function of a complex variable, and Chapter II contains the theory of the function of a complex variable of the first kind.

Part II - The second part of the work is devoted to the study of the properties of the function of a complex variable of the second kind. It is divided into two chapters. Chapter III contains the general theory of the function of a complex variable of the second kind, and Chapter IV contains the theory of the function of a complex variable of the second kind of the first kind.

- The first part of the work is devoted to the study of the general principles of the theory of the function of a complex variable. It is divided into two chapters. Chapter I contains the general theory of the function of a complex variable, and Chapter II contains the theory of the function of a complex variable of the first kind.
- The second part of the work is devoted to the study of the properties of the function of a complex variable of the second kind. It is divided into two chapters. Chapter III contains the general theory of the function of a complex variable of the second kind, and Chapter IV contains the theory of the function of a complex variable of the second kind of the first kind.

THE SECOND PART

Part I - The first part of the second part of the work is devoted to the study of the properties of the function of a complex variable of the second kind. It is divided into two chapters. Chapter V contains the general theory of the function of a complex variable of the second kind, and Chapter VI contains the theory of the function of a complex variable of the second kind of the first kind.

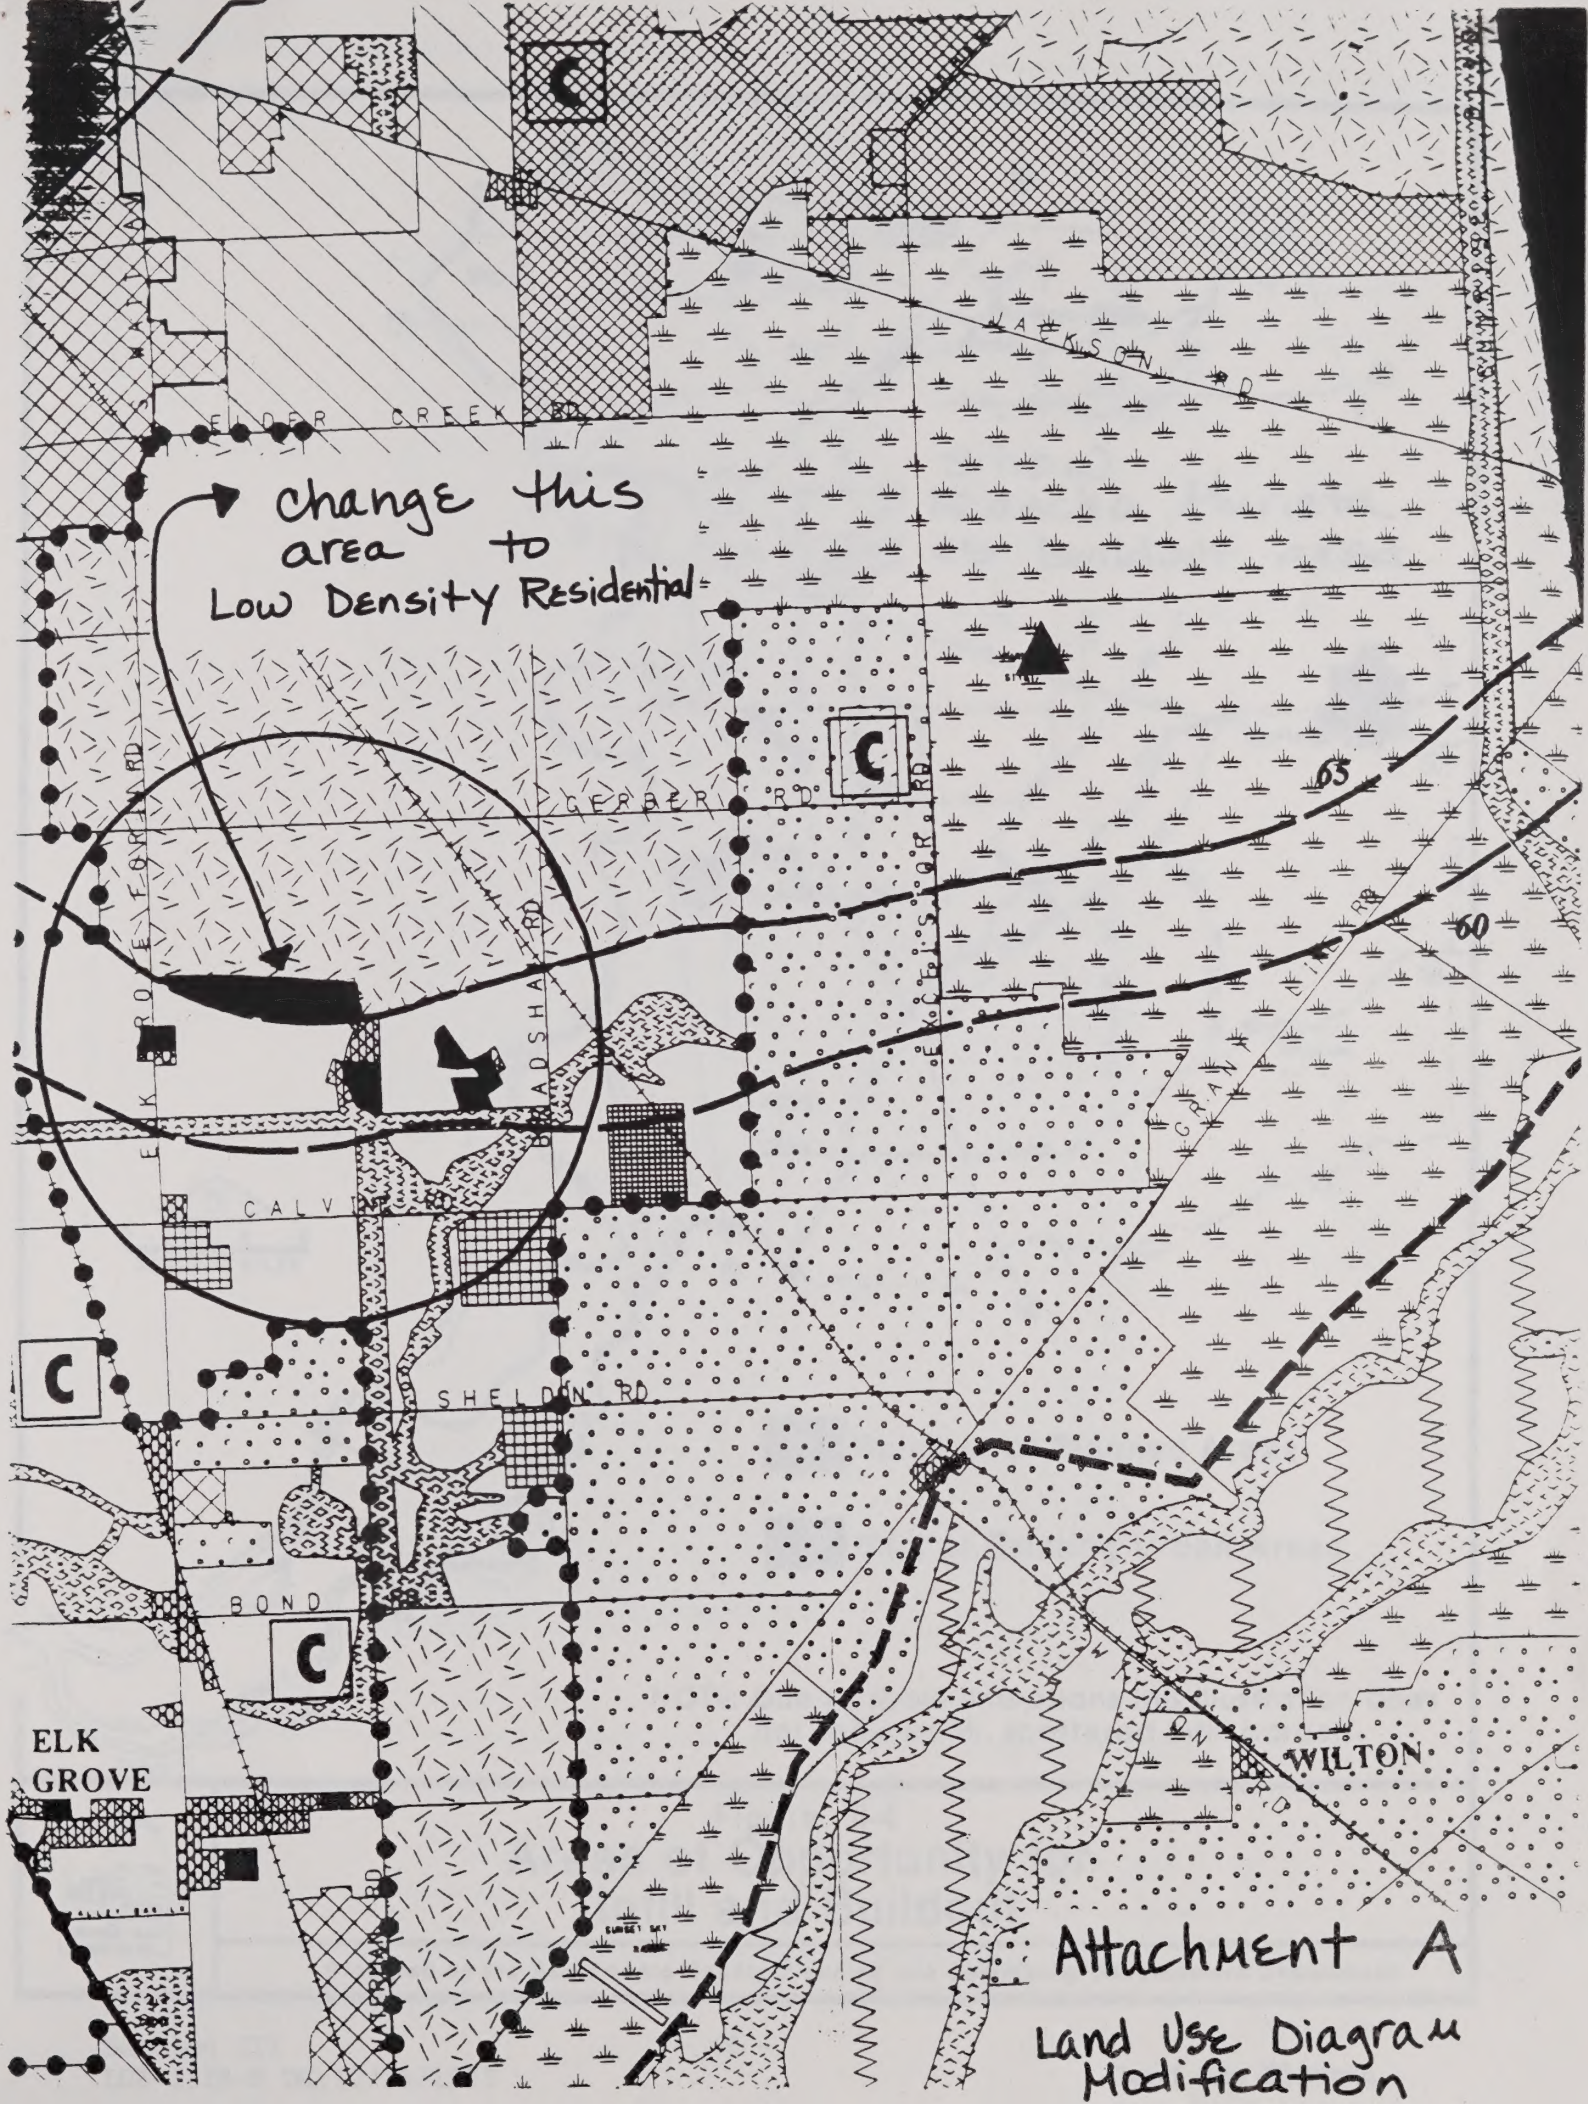

THE THIRD PART

Part I - The first part of the third part of the work is devoted to the study of the properties of the function of a complex variable of the second kind. It is divided into two chapters. Chapter VII contains the general theory of the function of a complex variable of the second kind, and Chapter VIII contains the theory of the function of a complex variable of the second kind of the first kind.

THE FOURTH PART

Part I - The first part of the fourth part of the work is devoted to the study of the properties of the function of a complex variable of the second kind. It is divided into two chapters. Chapter IX contains the general theory of the function of a complex variable of the second kind, and Chapter X contains the theory of the function of a complex variable of the second kind of the first kind.
